Comments from the President:

It's the end of the year already and 2018 went by way too fast. It was also a good year for the Association, there's been a few accomplishments, a couple setbacks but we've got a lot done and both islands are looking great.

I'd like to thank Jerry Cherry for his years of service as the Assistant Groundskeeper, we all wish him well and many years of good health. I also have a special thank you to Tony Vieira our Groundskeeper, in appreciation for his hard work and commitment to the Association. Tony's been working seven days a week since Jerry resigned in early June until mid-November without a complaint. He's been stressed and we have all been blessed. I hope I can do what he can do when I'm his age.

The Assistant Groundskeeper position has been changed to the Weekend Camp Host. We are pleased to announce the position has been filled. Please welcome Christi Saunders as our newest employee. Kristy is the wife of our Treasurer, Gerry Saunders Jr. She has been camping here with her family and in-laws for well over twenty years and knows the place pretty well to say the least. We also have a backup position in case the need arises. Kristy's backup will be filled by Cara Diviney, wife of Jeff Diviney our Vice President.

The Garage/Shop and Pool Hall are getting badly needed new roofs the week of 12-12-18. The Pool Hall will be closed during the roof tear off and installation.

In closing I would like to thank the Board, the Staff and the entire membership for all of your hard work and support that makes this a great club. I look forward to serving you and continuing to make this club the best it can be.

Thank you,

Gordon Mosby
